Dr. Richard Glogau and his wife, Pamela Baj Glogau, established The Glogau Teddy Bear Rescue Fund at UCSF Benioff Children's Hospital San Francisco to provide support for pediatric patients and their families. The fund helps fill special needs, such as food, transportation, housing, medications, special medical equipment, interpreters, tutors, and amenities that insurance and government funds cannot provide.

Thank you for joining The Glogaus in their commitment to helping children and their families throughout critical hospitalization and long periods away from home.
